### You Made a Difference This Year!

Some people "look and do not see." Some people have an experience but miss the meaning. As educators, we simply cannot miss the significance of what we do! It is good for us to acknowledge our shared experiences whether students, parents, citizens or critics do so or not. Proof that we are making a difference in this world of ours **abounds!**

All we need to do is look out the windows of our homes or classrooms - or the windows of our cars as we drive to school. Everywhere we turn we see living proof that our work is making a difference. The overwhelming majority of people working in our economy are products of our schools. Simply put, our economy would not function if our schools failed to function. Remember that.

## Paying Monthly?

Even though **PEI dues are by far the most affordable career protection you can purchase**, some people still find it difficult to come up with \$240 at one time. The alternative is to pay your dues in monthly installments.

The option of paying for dues via ACH is open to all our members. Contact the office for more information.

The fact that we have so many unique businesses with so many newly created jobs in such varied environments and locations is proof that our teaching has made a difference. Our classrooms have served to provide formative experiences for physicians, attorneys and merchants. Our teaching has educated future plumbers, electricians, stylists and various entrepreneurs. Whatever the job or need, it has been filled by a literate and functional person who is a product of our schools. Remember that.

As we near the conclusion of another successful year, if we have any regret, it should be that we did not convince every student, parent, and community member to see what schools offer and to recognize the successes of our schools. Regardless, one thing is certain: We must continue to teach until the last minute of the last day - and tell our students and parents why we choose to do so. **Our students have the best chance to reap the rewards if we do.** Remember that.

Best wishes - Finish Strong!
