2019 PEI Educators of the Year

Robert Scandridge and Jodie Nation

Chad Brooks and family

Each year, PEI and PEI Foundation awards thousands of dollars in scholarships to high school seniors, teachers and associates.

The PEI Educator of the Year Award is a state-wide honor given to a teacher who embodies the essence of professionalism. The review committee had a very difficult task this year as two candidates received glowing letters of recommendation from their peers, parents, and students. Subsequently, the review committee made a decision to extend the award to two educators for 2019!

Mr. Scandridge has taught for more than 30 years in the Lynnville-Sully school district! The recommendations described him as a teacher who exemplifies all of the Pillars of Character both within the school and in the community. A student wrote saying "he always had time for his students" and that he lead by example. He is known for the many hours he dedicated to the success of students.

Mr. Brooks was described as a teacher who sees the good in each student and as people who were capable of learning. A co-worker described him as having a genuine excitement which motivated his students to their highest level. Another co-worker stated, "he is one of the most outstanding educators with whom I have worked."

Please join us in recognizing Robert Scandridge from Lynnville-Sully and Chad Brooks from Ankeny Community Schools, as the 2019 PEI Educators of the Year!

Congratulations

Robert Scandridge and Chad Brooks!

2019 PEI Associate of the Year

Mikayla Eneboe and Jodie Nation

Mikayla Eneboe from East Sac Community School was chosen by our scholarship committee to receive our Associate of the Year Award. PEI believes support staff are crucial members within the education community and each year PEI chooses one to honor for their service and commitment.

Mikayla was described by a parent of a student as "irreplaceable and compassionate." A co-worker wrote in her letter of recommendation that Mikayla "always puts others above herself." Another East Sac employee described her as dedicated, caring and calm. Every letter written on Mikayla's behalf spoke as to her strength in building relationships with the students. PEI believes these are the qualities that make up a professional!

Thank you Mikayla Eneboe for all you do!

Congratulations!

Thank You To our 2019 Scholarship Committee

Much time and thought is spent by the scholarship committee each year in choosing the candidate they believe best fitting for each category. It is a difficult and tedious process reading through close to 100 applications and then coming to an agreement on the recipients. Thank you!
