Ethical Educators License Renewal Class Feb 5-6, 2021

Today more than ever, it is important for educators to understand their legal and ethical boundaries when working with students. The National Association of State Directors of Teacher Education and Certification (NASDTEC), Iowa Board of Educational Examiners (BOEE), the Department of Education (DOE), Professional Educators of Iowa (PEI), and individual school districts all have polices that need to be understood in order to keep oneself from litigation. Case studies and interactive solutions make this a course offered in “real-time”.

Instructors: Terry Gladfelter & Bryan Stearns

This course will also be offered via Zoom.
