2020 PEI Foundation Teacher Associates of the Year Award!

Paula Carlyle-Pudenz
East Sac County Comm.

Leanna Denison
Pekin Comm.

Each year PEI receives nominations from around the state for our Associate of the Year Award. These are the individuals who generously assist teachers and students throughout the school year. This year the testimonies written for Paula and Leanna were so similar, our scholarship committee asked that each be awarded the honor. These women are described as hardworking, steadfast, caring, serving, and essential to their district. These are the qualities that make teaching a bit easier and offer the necessary additional care to many students! Thank you Paula and Leanna!

CONGRATULATIONS!

Will You Consider a Gift to the PEI Foundation?

The PEI Foundation operates on personal gifts, contributions, and proceeds from our Annual Silent Auction and Charity Golf Outing. PEIF allots over \$5000 annually for scholarships, classroom supply awards, and license renewal classes.

As you consider your 2020 gift, keep in mind that PEIF is a 501(c)3 which enables you to deduct your contributions on your taxes.

You can now donate online at: <https://peiowa.org/foundation/donations/>

Thank you!
