

**Professional Educators of Iowa Foundation
2021 Scholarship and Award Recipients**

Congratulations!

Congratulations to the 22 students across the state who were chosen to receive our scholarships or the matching scholarships from various local chapters across the state! On **January 4**, Professional Educators of Iowa Foundation will be making a significant announcement regarding our scholarship awards for the 2022 year! Watch for it!

Will You Consider a Gift to the PEI Foundation?

The PEI Foundation operates on personal gifts, contributions, and proceeds from our Annual Silent Auction and Charity Golf Outing. PEIF allots over \$5000 annually for scholarships, classroom supply awards, and license renewal classes.

As you consider your 2021 gift, keep in mind that PEIF is a 501(c)3 which enables you to deduct your contributions on your taxes.

You can now donate online at: <https://peiowa.org/foundation/donations/>

Thank you!

VACCINE MANDATES?

Many school districts have received updates from their attorneys related to vaccine mandates, and we have fielded calls from members across the state. This is a fluid matter and may change from day to day. Your PEI staff is well-versed regarding OSHA regulations, the current ETS and its legal implications.

Please call us at 515-221-2330 if you have questions or need assistance.
